The District encourages all staff to attend staff development that would be an asset to their teaching assignment. Our staff continues to work on curriculum alignment throughout the District. Parental involvement is encouraged at all levels. Once each semester the District has an early release for students while teachers stay late into the evening in an effort to give all parents an opportunity to conference with their child's teachers. Stockdale ISD would like to take this opportunity to extend an invitation to all parents and community members who wish to volunteer their time. Please contact a campus administrator or an administrator at the Administration office if you are interested in volunteering. Your support is appreciated.
